Věc: WIKOV approval of LUKOIL company products

V Hronově dne: 18.2.2013

Dear Mr Kalmantaev.

The present to confirm that we prove compliance of:

LUKOIL Industrial Transmission Lubricants — LUKOIL STEELO series — CKC (CLP) specification with Design Manual WIKOV Nr. PRI021 chap. 4.5.8.2. – Bearing Calculation – Principles of Lubricants selection.

These products can be used in WIKOV equipment according to the operation and maintenance manuals.

Best Regards

Ing. Jan Havel
Technical Manager
