RUSSIA

Vierzon, December 13th, 2012

Subject : Fluid Lukoil GEYSER ST approval extension.

Kind attn : Mr A. Obryvalina

Dear Sir,

With reference to the documents submitted, the subject fluid is approved for inclusion on our list DENISON approved fluids for :

HF0, HF1 & HF2
Approval number : 206 (4)

This fluid will be listed under the brand name...	Lukoil GEYSER ST
The manufacturer to be listed as.....	LUKOIL Lubricants Company
The ISO classification as.....	HM
The approved grade as.....	ISO VG 32, 46 & 68
The listing date will expire.....	December 2017
Test passed.....	Read across with files 170 & 188

Please note the product will be on the list until **December 2017**, the listing being for a limited period of 15 years. This last condition is due to the fact that many fluids on the list are no longer available and we try to make it a more usable document. The pumps technology is changing during this long period, the customers applications too also, this fluid will be removed of the list at this date without run a T6H20C test following the procedure TP-30533. Hoping this will not cause any inconvenience

Best Regards

Philippe Parreau
