Dear Alina,

Issue Date: 30<sup>th</sup> November 2016

**Jaguar Land Rover engine oil specification STJLR.03.5003**

Verification certificate for:-

Your Brand: Lukoil Genesis Special A5/B5 5W-30

Your Product Code: **CONFIDENTIAL**

Based on the data submitted we confirm that the above product meets the requirements of Jaguar Land Rover engine oil specification STJLR.03.5003 for use in all Jaguar Land Rover vehicles where STJLR.03.5003 is specified.

This acknowledgement relates only to the specific base oils used, additive types and their treat rates under the brand name as identified in your application. Furthermore Jaguar Land Rover reserves the right to rescind such an acknowledgement and ask you to remove the JLR specification from the product claim if, in its opinion the product when subsequently tested does not comply with the formulation in the application.

This letter in no way implies a recommendation of the product, and as producer and retailer you and your distributors retain all responsibility for the quality and fitness of the product in use. This letter does not allow the use of the Jaguar Land Rover brand for any marketing purposes but entitles the use of the claim STJLR.03.5003 on your packaging.

This verification is valid for two years from the above Issue Date.

Yours faithfully,

..... John Coxon,  
 Technical Specialist, Engine Lubricants.

..... Mark Spenley,  
 Principal Engineer, Lubricants, cooling and CCV

..... Graham Page,  
 Chief Engineer, Core Engineering.

For and behalf of  
 Jaguar Land Rover Limited.
