LUKOIL lubricants use in Rosscor multiphase equipment

Dear Mr. Kirillov,

It is hereby confirmed that LUKOIL STEELO 150 and LUKOIL TM-4 80W-90 have been approved for use in Rosscor multiphase pumps MR type.

Other LUKOIL lubricants could be used in Rosscor MR pumps, in accordance with the internal recommendations and international standards mentioned in operation manuals.

R.Pikkemaat / Managing Director
