RE: Lukoil lubricants

Dear Mr. Shamsutdinov,

First of all, we would like to thank you for your e-mail dated 15th may and the detailed presentation of your company products.

We have compared the tables of the oils Mobilgear XP 150 and Lukoil Steelo 150 and the main characteristics and final use of both products are very similar.

Following on from, Sacma authorizes the use of your oil Lukoil Steelo 150 although we cannot undertake any warranty on it.

Certainly, our list of oils cannot include all the brand names present on the market and is only an indicative guide destined to facilitate and help our customers.

Yours sincerely,

Sacma Limbiate Spa
